<i>Notice: No changes shall be made from that which is stated in this application, or in attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the Chief Building Official for such change. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I hereby certify that I have read and examined this application and the information provided herein is true and correct. I further certify that all construction will comply with the International Building Codes.</i>
