Yard Waste Collection

The City of Roswell contracts for yard waste collection with Advanced Disposal. Residents are provided once per week collection and the service is included with the monthly household garbage collection fee.

Yard waste collection is limited to 12 bags (wet strength paper bags), 30-gallon metal or plastic containers or loose materials that do not exceed 2 cubic yards. Yard waste will not be collected in plastic bags. Bags of dirt or mulch will not be collected.

Branches and tree limbs cannot exceed 4 feet in length and 6 inches in diameter and must be stacked neatly at the curb for pickup.

Tree contractors or landscape companies are required to remove and dispose of the yard waste they generate.

For questions regarding yard waste pickup or to arrange a special pick up (for yard waste exceeding allowable limits), please contact Advanced Disposal at 678-240-9137.

Curbside Recycling

The City of Roswell contracts for curbside recycling services with Advanced Disposal. Residents are provided once per week curbside recycling and the service is included with the household garbage collection fee. Advanced Disposal provides 65-gallon recycling containers.

Approved recycling materials include: aluminum, glass, plastic (#1-7), mixed paper, cardboard (must be broken down and placed into provided container) and corrugated boxes.

Only approved recyclables will be collected. Unapproved materials (polystyrene, metal, etc.) will be left in the recycling container.

To request a recycling container, please contact 770-641-3961. For questions regarding curbside recycling pickup, please contact Advanced Disposal at 678-240-9137.

Roswell Recycle Center

The Roswell Recycling Center located at 11570 Maxwell Road is open Tuesday through Saturday and accepts all curbside recyclables plus paint, fluorescent bulbs, polystyrene, appliances, televisions and electronics. The Center also provides shredding services.

For more information, please contact the Roswell Recycling Center at: 770-442-8822.

Household Garbage

City of Roswell residents are provided once per week curbside garbage collection. Beginning on or around November 1, 2018 the City will provide a 96-gallon container to all Roswell residents for garbage collection.

Residents are responsible for the care, proper use, safekeeping, damage, loss and cleanliness of the containers. The containers are assigned to addresses by serial numbers so if you relocate DO NOT take the container with you.

All household garbage must be bagged and placed inside the containers for collection.

Additional Services

The City offers additional services such as curbside large item pickup (fees will apply), one time move-in/move-out pickup, Household Hazardous Waste collection events, and Transfer Station services. The City will also collect extra household garbage to accommodate holidays. The City does not collect or accept construction and demolition debris (wood pallets, lumber, concrete block, etc.).

For questions regarding household garbage or additional services, please contact the City of Roswell Solid Waste Division at 770-641-3961.

For questions regarding billing, establishing sanitation services or to arrange a large item pickup, please contact the City of Roswell Finance Department at 770-641-3759.
